TORC Oil & Gas Ltd. is a publicly-traded, intermediate, light oil focused company with a proven track record of production growth and creating significant value through an acquisition / exploitation / exploration strategy. Since inception in December 2010, the TORC Team has been successfully developing its light oil assets in southeast Saskatchewan and the central Alberta Cardium resource play, both being areas where the TORC team has an established track record. TORC's experienced management team is leading an exciting strategy of paying a sustainable dividend to shareholders while continuing to provide disciplined per share growth, and our success is attributed to that leadership and our team of skilled and dedicated employees and consultants working together to achieve TORC's goals.

Due to its continued growth, TORC is seeking a **Senior Land Contract Analyst** whose main responsibilities will include:

- Day to day Contract Administration Duties
- Preparation and processing of Independent Operations Notices
- Verification of RTD's and AFE's
- Completion of Well Abstracts
- Preparation of Production and Lessor Poolings
- Set up and linking of Contracts within the Land System
- Assist Landmen as required
- Provide support to other departments within the Company

The ideal candidate will possess the following skills and qualities:

- Minimum 10 years of land contract experience
- Working knowledge of LandRite an asset
- Able to work independently
- Working knowledge of Alberta and Saskatchewan administration
